Healthy Smiles Dental Discount Plan

Riverpoint Family Dentistry would like to provide excellent dental care to our local Albuquerque & Rio Rancho community. The costs of dental insurance premiums have been rising every year while their plan benefits have also been decreasing, making many dental insurance plans not worth it in terms of their costs and limited benefits in many (but not all) circumstances. This has been a trend over the last 10 years especially and we want to bring this trend to your attention and encourage you to conduct a cost-benefit analysis of any dental insurance plan you may have or be considering.

As a token of our appreciation for your patient loyalty to our dental office, we have created the **Healthy Smiles Dental Discount Plan**. This plan has been designed to provide affordable and high-quality dental care, for those who can no longer obtain or choose not to buy dental insurance. This discount plan was created for patients needing or desiring substantial discounts for their dental care. The **Healthy Smiles Dental Discount Plan** provides significant discounts for dental care in our office and only at our office. However, this plan IS **NOT A DENTAL INSURANCE PLAN**.

Enrolling you and your family in this DISCOUNT PLAN will allow you to have the following benefits:

No waiting periods – Start your treatment today!

No claims forms

No yearly maximums

No deductibles

No “major work” waiting periods

No “pre-authorizations” required

No “missing tooth” clause restrictions or exclusions

I, _____ by signing below, I confirm my understanding that this is only a dental discount plan and **NOT a dental insurance plan of any kind**.
